About SchooWare

PREMIUM SCHOOL MANAGEMENT SYSTEM

SchooWare, a Simple, Affordable and Flexible School Management System, offered as a SaaS, is a platform which helps in managing the day to day academic and administrative activities from a single platform.

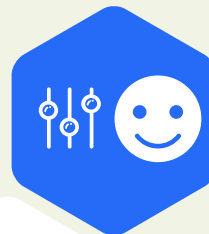

SchooWare, with its unique user interface provides user-friendly dashboards with login access for teachers, students, parents, and management personnel of your institution.

Fully customized to fit the Nigerian Educational system, it comes with modules to manage Students, Staff, Timetable, Attendance, Examinations, Gradebooks, School Calendar, and many more. It has a Human Resource module to manage the payroll and employee pay slips. The Finance module helps you to plan and allot different fee structures to students.

Affordable

Schools and institutions of any size can easily afford the SchooWare solutions and services.

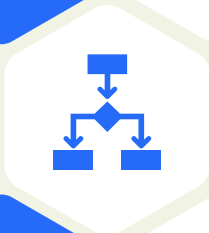

Easy to use

An easy to use application. Just with basic knowledge of a browser you can navigate without any instructions..

Multi-School

Manage Group of schools/annexes from a single platform. Monitor activities from Nursery, Primary and Secondary from same application.

Web Based

You do not have to install anything. SchooWare is an SaaS Management System. That means you use it in your favorite browser.

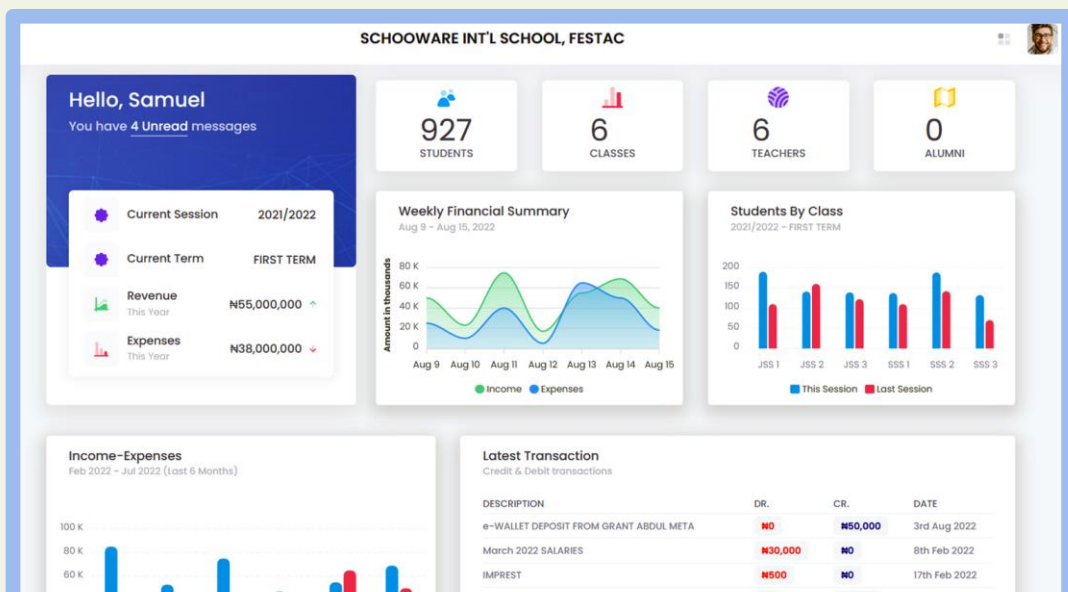

Secure

Retain data on our servers. All data is secured and periodically backed-up to external locations.
